

LUMBROXYM™

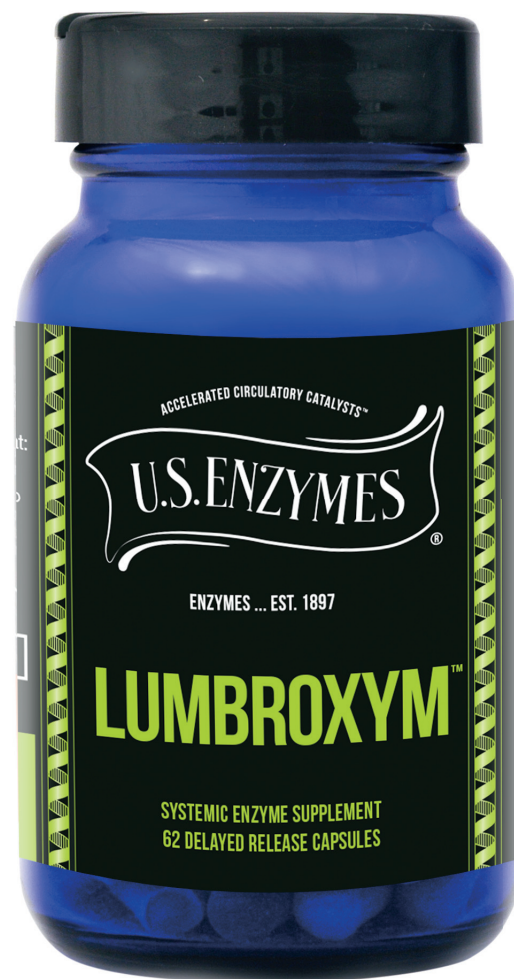

Targeted Systemic Enzyme

Lumbroxym™ is a blend of the two systemic enzymes Lumbrokinase and Catalase with Astrazyme®, a proprietary blend that enhances enzyme absorption and activity.* Pure Lumbrokinase is difficult to source and a notably expensive proteolytic enzyme that has been shown to support cardiovascular and circulatory health.*

- ▶ Includes 375 FU of Lumbrokinase and 350 U of Catalase in a patented sodium alginate base and protective delayed release capsules
- ▶ Lumbrokinase is a fibrinolytic enzyme that helps support healthy circulation and healthy blood pressure levels.*
- ▶ Supports longevity.*
- ▶ Contains AstraZyme® enhances enzyme actions by assisting protein digestion and absorbing peptides and amino acids faster and more completely.
- ▶ This product is Non-GMO, Gluten-Free, and free of fillers, artificial colors, flavors and preservatives.

SUGGESTED USE: Take one (1) capsule with a glass of water on an empty stomach two (2) hours before or after a meal.
