

SEAXYM™

Targeted Systemic Enzyme

Seaxym™ is a blend of the systemic enzymes Seaprose S and Catalase in a proprietary mineral base, which is designed to super-charge the effects of the enzyme actions.* Seaxym's primary function is to offer targeted respiratory support.*

- ▶ Helps promote healthy biofilms and mucus levels.
- ▶ Helps maintain healthy lung function.*
- ▶ Supports the immune system
- ▶ Free of fillers, artificial colors, flavors, and preservatives.
- ▶ Should be taken on an empty stomach with a full glass of water for best results.

SUGGESTED USE: To obtain the maximum results take one (1) capsule with a glass of water on an empty stomach (2 hours before or after your last meal). May be taken every eight hours (3 times per day).
